

Dear Future Partner

At Memphis Oral School for the Deaf (MOSD), we help children who are deaf or hard of hearing learn to listen, speak, and thrive. As one of the few schools in the world dedicated solely to listening-and-spoken-language education for children birth to age five, our work is both unique and life-changing.

Demand for our services continues to grow, and the cost to provide the specialized therapy, education, and technology each child needs exceeds \$50,000 per year. Yet, MOSD has never turned a child away. With our recent expansion into 7887 Poplar Avenue in Germantown, we now have the space to strengthen and grow our clinical operations—expanding therapy services, enhancing early intervention and family support, and positioning us to update our audiology equipment and technology. Your sponsorship directly fuels the resources that help children enter kindergarten ready to thrive.

The heart of our mission is best reflected through families like Board Member and MOSD parent Lara Thornton, who shares:

*“Some places change your story forever — MOSD changed ours. Both of my daughters were born with profound hearing loss. When everything felt uncertain, MOSD became our light. Vivienne is now thriving in junior kindergarten, and Margaux is joyfully continuing her MOSD journey. Every word they speak is proof of the magic that happens within those walls.”*

We invite you to join us for the **2026 SpeakEasy Gala, presented by our longtime partners at Pickler Companies**, on May 2, 2026. This signature event brings together community leaders for an evening of immersive speakeasy experiences, exceptional food and drink, and opportunities to make a real difference for our children.

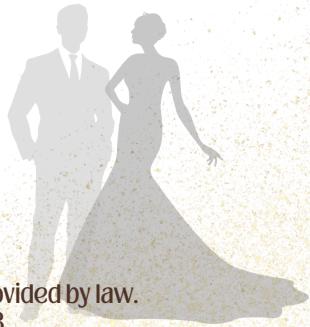

Sponsorships directly support:

- Expansion of therapy and classroom space at 7887 Poplar
- Advanced audiology equipment and technology
- STEM and early learning initiatives
- Early intervention services and family support

Your partnership ensures every child who needs MOSD has access to the early intervention that will shape the rest of their lives.

Warm regards,
